

COUNCIL'S REPORT FOR THE YEAR 2022-2023

**50th ANNUAL GENERAL MEETING
ADDRESS BY PRESIDENT
Mr.Akbar Ebrahim**

Dear Fellow Members of the FMSCI

It gives me immense pleasure to welcome you all to this 50th Annual General Body Meeting of our Federation.

The year 2023 has seen the sport grow even more robustly and I wish to thank the entire motor sporting fraternity for their support and cooperation extended to the FMSCI.

I also wish to thank the FIA, FIM, FIA-CIK and the Ministry of Youth Affairs & Sports, GOI, for their unstinted support to assist the FMSCI in further developing the sport in India.

It is also of great significance that we have 28 members from India representing our country in multiple sporting and non-sporting commissions in the FIA, FIM and FIA-CIK Commissions.

I would like to highlight below some of the important big ticket international and national sporting events and achievements that we have closed out on in 2023.

FIA Formula E World Championship Round in Hyderabad :

India successfully hosted a round of the FIA Formula E World Championship race in Hyderabad on a street circuit. The street circuit was approved by the FIA for the world championship event and was given a Grade 2 and a FE circuit license.

The event was a grand success thanks to the joint cooperation between the Promoters AceNxtGen and Greenko, Formula E, FIA and the FMSCI. The event was officially announced as one of the best conducted events in the whole calendar.

FIA President, Mohammed Ben Sulayem along with Hon Minister of Sports & Youth Affairs, Shri Anurag Thakur and Hon Minister of Telangana State for Information Technology, Shri KT Rama Rao attended the event and interacted with all the teams, participants, marshals and officials.

I would like to thank the entire FMSCI team who worked non stop for a week to pull off a world class event.

FIM Moto GP round in India:

India is all set to create history when it will host a round of the FIM MotoGP World Championship at the Buddh International Circuit on the 24th September 2023.

The Indian Promoters Fairstreet Sports have signed a 7 year contract with Dorna, global promoters of the MotoGP Championship. The FMSCI has signed a tripartite agreement with the FIM (Federation Internationale de Motorcyclisme) and Fairstreet Sports (Promoters & Organizers) for providing assistance with the volunteers and officials for the running of the event.

The BIC circuit has been modified to suit the circuit requirements for MotoGP.

Hon. Chief Minister of Uttar Pradesh, Shri Yogi Adityanath has been an inspiration to all concerned and has provided the pathway for the event to actually become a reality. There are more than 600 volunteers and officials and approximately 160 medical personnel on board to conduct this landmark and global event. It is expected to have a spectator turnout of more than 50,000 people for the event.

FIA Formula 4 (F4) comes to India:

Racing Promotions Pvt. Ltd, India (RPPL) along with the FMSCI will be introducing the FIA Formula 4 Championship in India from November 2023. RPPL has signed up with the world famous racing team MP Motorsport from the Netherlands to oversee the operations of the F4 cars in the 5 round championship in India in November & December 2023 which will be run at the Buddh International Circuit, Madras International Circuit, Chennai International Street Circuit and the Hyderabad International Street Circuit.

More importantly, the participating drivers in both championships will secure the most valuable FIA driver points which helps talented drivers climb the ladder eventually up to Formula 1. This will see multiple international drivers competing with our Indian drivers for the coveted FIA Titles.

Indian Racing League:

The Indian Racing League which is a city-based franchise racing league, the first of its kind in the world. RPPL have 6 franchisees on board which will again see well reputed international drivers, male & female being paired with the talented Indian drivers. The IRL will run along with the FIA Formula 4 Championship. Hopefully in the years to come, this will be the IPL of 4W racing.

New Street Circuit in Chennai:

The Tamil Nadu Government has for the first time in its history signed an agreement with Racing Promotions Pvt Ltd to set up a street circuit in the heart of the city around the historic Island Grounds and the Marina Beach to host a round of the FIA Formula 4 Championship and the Indian Racing League. The street race will be a night race and which will be a first of its kind outside of Formula 1 in the Asia Pacific region.

The Tamil Nadu Government is investing close to Rs 50 crores in the project and has signed a 3 year commercial contract with the promoters, RPPL.

FIA Asia Cup Rally Championship round in India:

India hosted a round of the FIA Asia Rally Cup which is part of the FIA Asia Pacific Rally Championship in Chennai organized by Madras Motor Sports Club, Chennai in 2023. The event was well attended and had the highest number of entries as compared to the other Asia Pacific countries.

Manufacturer's involvement in the Sport:

We have seen an unprecedented growth in the involvement of manufacturers in the sport from JK Tyres, MRF, Mahindra, Volkswagen, Yokohama, Honda, Hero, Suzuki, TVS, Yamaha, Rolon, KTM, Royal Enfield etc. Their investments into the sport have been substantial and their future plans look even more promising.

Mahindra Racing has surely and truly stamped their name in International Motorsport with astounding results in the Formula E Championship.

The 2W segment has been no less in terms of growth in the involvement of manufacturers in the sport. It is also very satisfying to see manufacturers now competing against each other and supporting private teams in the National Championship. Honda, Suzuki, TVS and Yamaha have further consolidated their single make classes running along with the National 2W & 4W Racing Championships. This has allowed young riders to graduate into the National Racing

Championships. It is also gratifying to note of the support given by Honda, Suzuki, TVS and Yamaha to their talented riders in International Championships.

Hero Moto Corp and TVS have invested heavily in the off road segment and are fielding teams and supporting riders in the various international CCR events including that of the Dakar Rally..

In Closing

I would like to place on record my sincere appreciation to my fellow Councillors, Chairman of all the Commissions and Committees, FMSCI officials and volunteers, Member Clubs, Sponsors, Media, Manufacturers, Government of India, FIA, FIM and the CIK, Competitors, Parents, and all the motorsport enthusiasts. Your support and guidance has been immense and I would like to thank you all for contributing towards the development of Indian Motorsport.

My personal appreciation and gratitude to the hard working Secretariat. The quantum and quality of work done by these selfless people is outstanding.

I would also like to thank our Chartered Accountants, Legal advisors & Company Law consultant for their unstinted support and advice given to keep the FMSCI as water tight as possible.

I would like to congratulate each and every Commission head along with their Commission members for doing a wonderful job and being the core of the sport. It has been hard work and a lot of time has been spent by these wonderful people. My heart goes out to all the competitors and teams in the manner in which they have competed till date. The quality and skill levels have improved tremendously over the years across the board and they are the true brand ambassadors of this sport and the country.
