

COUNCIL'S REPORT FOR THE YEAR 2023-2024

51st ANNUAL GENERAL MEETING
ADDRESS BY PRESIDENT
Mr.Akbar Ebrahim

Dear Fellow Members of the FMSCI,

It gives me immense pleasure to welcome you all to this 51st Annual General Body Meeting of our Federation.

The year 2023-2024 has seen the sport grow even more robustly and I wish to thank the entire motor sporting fraternity for their support and cooperation extended to the FMSCI.

I also wish to thank the FIA, FIM, FIA-CIK and the Ministry of Youth Affairs & Sports, GOI, for their unstinted support to assist the FMSCI in further developing the sport in India.

It is also of great significance that we have 24 members from India representing our country in multiple sporting and non-sporting commissions in the FIA, FIM and FIA-CIK Commissions.

I would like to highlight below some of the important big ticket international and national sporting events and achievements that we have closed out on in 2023-2024.

FIM Moto GP round in India

India created history when it hosted a round of the FIM MotoGP World Championship at the Buddh International Circuit on the 24th September 2023.

The FMSCI had signed a tripartite agreement with the FIM (Federation Internationale de Motorcyclisme) and Fairstreet Sports (Promoters & Organizers) for providing assistance with the volunteers and officials for the running of the event.

The BIC circuit has been modified to suit the circuit requirements for MotoGP.

Hon. Chief Minister of Uttar Pradesh, Shri Yogi Adityanath has been an inspiration to all concerned and has provided the pathway for the event to actually become a reality. There were more than 600 volunteers and officials and approximately 160 medical personnel on board to conduct this landmark and global event.

The event drew huge praise from the MotoGP riders and teams. The FIM President, Mr Jorge Viegas was also present and congratulated the entire FMSCI team for conducting a very well organized and successful inaugural event.

FIA Formula 4 (F4) comes to India

Racing Promotions Pvt. Ltd, India (RPPL) along with the FMSCI introduced the FIA Formula 4 Championship in India from November 2023. RPPL had engaged with the world-famous racing team MP Motorsport from the Netherlands to oversee the operations of the F4 cars in the 5-round championship in India in November & December 2023.

More importantly, the participating drivers in both championships secured the most valuable FIA driver points which helps talented drivers climb the ladder eventually up to Formula 1. This saw multiple international drivers competing with our Indian drivers for the coveted FIA Titles.

The 2023-2024 championship is currently underway with two rounds being completed and three rounds to go. The competition has been extremely close with some of the Indian drivers closely competing with talented international drivers.

Indian Racing League

The Indian Racing League which is a city-based franchise racing league, the first of its kind in the world. RPPL have 6 franchisees on board with well reputed international drivers, male & female being paired with the talented Indian drivers. The IRL ran along with the FIA Formula 4 Championship.

The league has got a big boost in 2024 when the likes of Saurav Ganguly, Leander Peas, John Abraham and Nag Chaithanya have associated themselves with various teams.

The 2023-2024 Championship is underway with two rounds being completed and another three rounds to go.

Night Street Circuit in Chennai

The city of Chennai etched its name in the history books of global motorsport by hosting the first ever night street race. This is only the 3rd ever night street race run in the world, 2nd in Asia and 1st in India. The event was conducted on the 1st September 2024.

The event which was supported by the Sports Development Authority of Tamil Nadu and the Government of Tamil Nadu in association with Racing Promotions Pvt Ltd and the FMSCI turned out to be a huge success. Every spectator stands and lounge was full and the on-track racing was exemplary.

The street circuit layout got an FIA Grade 3 homologation as a temporary circuit which enabled the FIA Formula 4 cars and the Racing League cars to participate with the Indian FLGB cars running as support races.

My sincere congratulations to the entire RPPL Team and the FMSCI Volunteers & Officials who collectively pulled off a spectacular and historic event.

Our utmost appreciation to our Hon Chief minister, Hon Sports Minister, Additional Chief Secretary and Member Secretary for spearheading this project and putting Tamil Nadu on the global motor sporting map.

Our sincere appreciation to the SDAT, Tamil Nadu Police & Fire Department, Chennai Corporation and all other Government departments who supported the event.

Supercross Motorcycle Racing League

2024 saw the introduction of the first ever team based new Supercross Motorcycle Racing League launched in India viz. Ceat Indian Supercross Racing League organised by Supercross India Private Limited.

A total of (three) rounds were run in Pune, Ahmedabad and Bengaluru and had a total 48 participants from across the globe.

The League received rave reviews from the participants and spectators alike.

Manufacturer's involvement in the Sport

We have seen an unprecedented growth in the involvement of manufacturers in the sport from JK Tyres, MRF, Ceat, reise, Mahindra, Volkswagen, Yokohama, Honda, Hero, Suzuki, TVS, Yamaha, Rolon, KTM, Royal Enfield etc. Their investments into the sport have been substantial and their future plans look even more promising.

The 2W segment has been no less in terms of growth in the involvement of manufacturers in the sport. It is also very satisfying to see manufacturers now competing against each other and supporting private teams in the National Championship. Honda, Suzuki, TVS and Yamaha have further consolidated their single make classes running along with the National 2W & 4W Racing Championships. This has allowed young riders to graduate into the National Racing Championships. It is also gratifying to note of the support given by Honda, Suzuki, TVS and Yamaha to their talented riders in International Championships.

Hero Moto Corp and TVS have invested heavily in the off road segment and are fielding teams and supporting riders in the various international CCR events including that of the Dakar Rally.

In Closing

I would like to place on record my sincere appreciation to my fellow Councillors, Chairman of all the Commissions and Committees, FMSCI officials and volunteers, Member Clubs, Sponsors, Media, Manufacturers, Government of India, FIA, FIM and the CIK, Competitors, Parents, and all the motorsport enthusiasts. Your support and guidance have been immense and I would like to thank you all for contributing towards the development of Indian Motorsport.

My personal appreciation and gratitude to the hard-working Secretariat. The quantum and quality of work done by these selfless people is outstanding.

I would also like to thank our Chartered Accountants, Legal advisors & Company Law consultant for their unstinted support and advice given to keep the FMSCI as water tight as possible.

I would like to congratulate each and every Commission head along with their Commission members for doing a wonderful job and being the core of the sport. It has been hard work and a lot of time has been spent by these wonderful people. My heart goes out to all the competitors and teams in the manner in which they have competed till date. The quality and skill levels have improved tremendously over the years across the board and they are the true brand ambassadors of this sport and the country.

Having completed the maximum term of 6 years as President, I am happy that I have contributed to the growth and development of Indian Motorsport. I take immense pride in having being instrumental in overseeing the hosting of world championship events in India such as the FIA Formula E World Championship and the FIM MotoGP World Championship as well as the historic Indian Racing Festival night street race in Chennai apart from growing our National Championships in all disciplines which has also strengthened the financial corpus of the FMSCI and introduced the India Development plan in association with the FIA. I am sure my successors will continue the hard work put in by my entire team.

Yours in Motorsport

Akbar Ebrahim
President
